AUDIENCE NETWORKS, CONTENT THAT CONNECTS

We are a **Media Group** with more than **27 years of experience**. We generate high quality content, **concepts and communication strategies**. We create stories that connect audiences and flow through a transmedia ecosystem, growing communities of interest eager to live and share experiences.

We reach more than **115 million consumers** across our brands, print and digital media.

nupcias

magazine

We know what brides want what they dream of not only for their **wedding** and **honeymoon**, but for **the first years of life in marriage**.

We are a brand that **solves many of the problems** that arise in the process of being a couple: from the delivery of the ring to the long-awaited “I do”.

We are in the **planning** and life **after the wedding**, where there is great potential for young couples who need to build a home step by step, and need someone to advise them on how to choose.

Branded Content

In order to nurture our client's print or digital media, we create specialized content on-demand, which can also be amplified on our own platforms.

This is usually structured in a plan of at least 6 to 12 months.

Objectives

With backlinks

To reinforce any communication strategy, our content can include backlinks (reference links) to our clients' web pages.

Native Content

Either inside our existing content or by creating new content optimized for organic search positioning, we offer the possibility of including native branding of products or services related to the content's theme.

The insertion of these mentions can be priced by periods of time or on a more permanent basis.

Co-branded Inbound Marketing Program

We create Inbound Marketing strategies, leveraging our native reach through downloadable content such as e-books and e-guides.

The maturation and conversion of leads are achieved in a short period of time through diverse content, made especially for our advertisers.

We co-brand with our brands to have a better engagement with our users and achieve a major conversion rate.

Each inbound strategy is designed according to the objectives and is structured in a plan of at least 3 months to achieve a correct maturation of the

Digital Magazine (Mag21)

Thinking about the current trends of content consumption, we designed a mobile magazine called Mag21, an online publication that offers content with a user experience like no other.

This platform integrates editorial content from all G21 brands in ways that intertwine the storytelling with the advantages of the digital world.

From here, we can design digital magazines 100% customized to our client's content, developing editorials ad hoc to its communication and relevant messages.
