AUDIENCE NETWORKS, CONTENT THAT CONNECTS

We are a **Media Group** with more than **27 years of experience**. We generate high quality content, **concepts and communication strategies**. We create stories that connect audiences and flow through a transmedia ecosystem, growing communities of interest eager to live and share experiences.

We reach more than **115 million consumers** across our brands, print and digital media.

Entrepreneur

Entrepreneur is the largest network and media for **entrepreneurs in Mexico** and the world.

The Spanish edition of the brand reaches all Hispanic markets on a digital level with **9 million monthly sessions**.

Our brand is a leader in **inspiring** and **guiding** entrepreneurs and businessmen with cutting-edge platforms and tools. Our audiences find in us recommendations for products and services that support them **to solve their needs**, enhance their **growth** and become part of their success stories.

We **reward**, in synergy with the actors of the ecosystem, the **best ideas** and **ventures** in Mexico through the **Entrepreneur Award** that this year will reach its 3rd. consecutive edition.

We can make your brand relevant in a network of ideas, projects, and companies that constantly demand products and services from various industries.

ALTONIVEL

A **network** with the potential of connecting you with those **responsible for important decisions** in the business world.

Alto Nivel, with over **30 years** of existence, is one of **the most influential business magazines in Mexico**. Its exclusive audience segmentation places it as the preferred publication in the universe of **CEOs** of the main organizations established in Mexico.

Through controlled circulation we effectively reach the desks of the most important **directors** and **CEOs** of Mexico.

We help our readers **understand strategic issues** through our digital and print media, we talk about the conjunctions in the **economic, financial and business environment**, with an **analytical, reflective, critical and purposeful** approach.

México desconocido®

México Desconocido is the travel media with the longest tradition and **the most visited travel network in Mexico.**

The **traveler's community** is what makes **Mexico Desconocido** the most relevant authority to discuss and highlight what happens in every instant of a trip.

Always present when a **traveler gets excited** and **begins dreaming** on his next trip, constantly by his side, turning such dream into reality aiding in planning the experience, followed by the excitement of finding and booking the **best providers for his trip**. We also travel with them as tourist guides while at their desired destination and wants to find out more specific or additional information and details on the place he is visiting. And finally, **we are a network that shares experiences of all travelers.**

Our **strategic alliances** with tech leaders such as Google, working specifically with Google Maps, positions us on a network that leads the way for the evolution of tourism in Mexico.

Thanks to our new platforms and products, millions of followers will get **inspired**, be able **to plan, book, live and share their journeys** around Mexico.

CINE PREMIERE

The **network** of the **cinema world** with the **longest tradition** in Mexico.

Cine Premiere is the **most visited cinema site in Mexico** and the magazine with the largest distribution.

We are a **specialized brand** for those who are passionate about Silver and home screens.

We focus on the **Seventh Art**, but we talk about everything related to **streaming** and **series, video games, gadgets, anime** and **trends** in the world of **entertainment**.

Our medium is ideal to connect you to generations related to this industry and offers a high interaction in each publication among **Centennial users** who mark the criticism of film content and news.

nupcias

magazine

We know what brides want what they dream of not only for their **wedding** and **honeymoon**, but for **the first years of life in marriage**.

We are a brand that **solves many of the problems** that arise in the process of being a couple: from the delivery of the ring to the long-awaited **"I do"**.

We are in the **planning** and life **after the wedding**, where there is great potential for young couples who need to build a home step by step, and need someone to advise them on how to choose.

Branded Content

In order to nurture our client's print or digital media, we create specialized content on-demand, which can also be amplified on our own platforms.

This is usually structured in a plan of at least 6 to 12 months.

Objectives

BRANDING
AWARENESS
VISITS

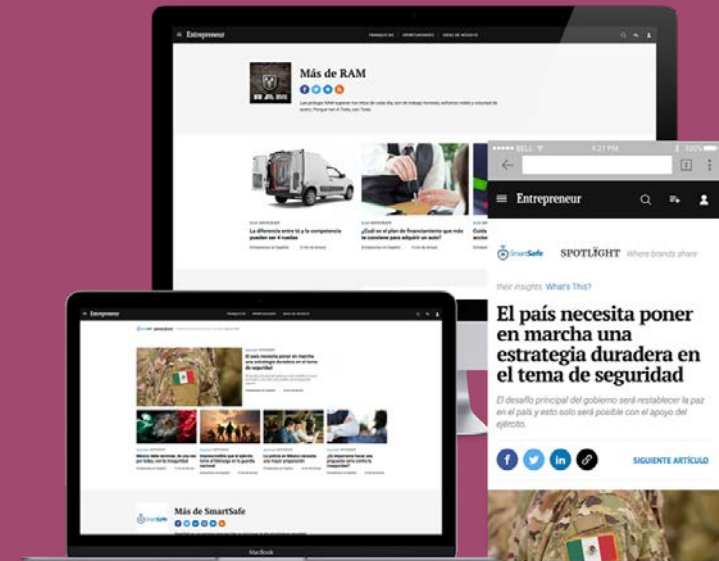

With backlinks

To reinforce any communication strategy, our content can include backlinks (reference links) to our clients' web pages.

Native Content

Either inside our existing content or by creating new content optimized for organic search positioning, we offer the possibility of including native branding of products or services related to the content's theme.

The insertion of these mentions can be priced by periods of time or on a more permanent basis.

Objectives

STORYTELLING

BRANDING

AWARENESS

VISITS

With backlinks

To reinforce any communication strategy, our content can include backlinks (reference links) to our clients' web pages.

Editorial Photostock

We create highly successful audiovisual content and stories, so our clients can position their companies, products and services.

VISITS

Co-branded Inbound Marketing Program

We create Inbound Marketing strategies, leveraging our native reach through downloadable content such as e-books and e-guides.

The maturation and conversion of leads are achieved in a short period of time through diverse content, made especially for our advertisers.

We co-brand with our brands to have a better engagement with our users and achieve a major conversion rate.

Each inbound strategy is designed according to the objectives and is structured in a plan of at least 3 months to achieve a correct maturation of the

POSITIONING

Podcast

We also create and produce podcast that we broadcast through all of our digital channels to amplify their reach.

E-MAGAZINE

Digital Magazine (Mag21)

Thinking about the current trends of content consumption, we designed a mobile magazine called Mag21, an online publication that offers content with a user experience like no other.

This platform integrates editorial content from all G21 brands in ways that intertwine the storytelling with the advantages of the digital world.

From here, we can design digital magazines 100% customized to our client's content, developing editorials ad hoc to its communication and relevant messages.
